Doug Manson Named Best Lawyers in America

MansonBolves Shareholder recognized for Water, Administrative and Regulatory Law

(Tampa) [MansonBolves](#) shareholder [Doug Manson](#) has been selected in Best Lawyers® magazine as amongst the Best Lawyers in America for a third consecutive year. Manson was recognized for his [water](#), [administrative](#) and [regulatory](#) law practices.

The listing is widely regarded as a significant honor and is voted on by attorney's peers through confidential evaluation surveys. For more than three decades, Best Lawyers lists have earned the respect of both clients and legal professionals as the most trusting source of top attorneys anywhere.

"Best Lawyers is a highly-respected peer review guide in the legal profession," said Doug Manson. "It provides worldwide recognition, so it is truly an honor to make this list."

Manson has more than 25 years experience representing private sector and governments in water, environmental, administrative and related legal matters. He has successfully represented a broad range of clients and understands the complexities of technical evidence like hydrogeology and wetland biology as well as modeling and the other disciplines needed in these matters. He has an AV Rating by Martindale-Hubbell and received his law degree from Florida State University.
